It's an X-Citing First! **\$30 Kansas Lottery Instant Scratch Ticket with \$250,000 Top Prizes!**

TOPEKA, KAN. – Kansas Lottery players now have a chance to win the largest instant scratch prize in the history of the Kansas Lottery – a quarter of a million dollars! That's the top prize on the Kansas Lottery's first-ever \$30 instant scratch ticket.

The \$30 Multiplier Super Ticket is part of the Kansas Lottery's new "X" family of instant games. The tickets are being offered to players at six price points – \$1, \$2, \$5, \$10, \$20 and \$30. All together, the "X" tickets feature more than two million prizes worth nearly \$22 million!

- \$1 – [5X the Cash](#) – cash prizes up to \$5,000
- \$2 – [10X the Cash](#) – cash prizes up to \$10,000
- \$5 – [20X the Cash](#) – cash prizes up to \$25,000
- \$10 – [50X the Cash](#) – cash prizes up to \$75,000
- \$20 – [100X the Cash](#) – cash prizes up to \$100,000
- \$30 – [Multiplier Super Ticket](#) – cash prizes up to \$250,000

The new games are being shipped to retailers this week, and will soon start appearing in store dispensers. They'll be easy for players to spot, as each of the "X" games features an array of bright florescent inks which enhance the look and appeal of the tickets.

Second-Chance Drawings

In addition to the instant cash prizes players have a chance to win, [PlayOn](#)[®] members may enter their non-winning "X" tickets for a chance to win thousands of dollars in second-chance drawings! There will be one drawing and one winner for each of the six price points. The higher the price point, the higher the cash prize. Players can win \$1,000 with the \$1 game, \$2,000 with the \$2 game, \$5,000 with the \$5 game, \$10,000 with the \$10 game, \$20,000 with the \$20 game, and \$30,000 with the \$30 game. Players can win additional entries by playing the X Games Bonus Cash Interactive Game. The deadline to enter all six second-chance drawings is 12 p.m. October 8, with winners announced October 11, 2018.
