\$875 Million Powerball Jackpot Seventh Largest in Game History

TOPEKA, KAN. – Powerball continued to roll this weekend, with no ticket hitting the top prize in Saturday's drawing. The jackpot has now climbed to a staggering \$875 Million, with a cash option of \$403.6 million.

Monday's estimated jackpot ranks as the seventh largest in Powerball history and the game's second-biggest prize this year, behind only the \$1.787 billion jackpot won on Sept. 6 in Missouri and Texas. Tonight will mark the 40th drawing in this jackpot run.

Powerball tickets start at just \$2, with the option to add the Power Play Multiplier and/or add Double Play to your ticket for an additional \$1 each. Powerplay can multiply a non-jackpot win by up to 10X. Cutoff for entry is 8:59 p.m. on draw days.

Kansas Powerball tickets now have a option for an additional draw. The Double Play is a new Powerball feature that only 27 states currently offer that gives players another chance to match their Powerball numbers in a separate drawing with a top cash prize of \$10 million.

Players are invited to submit all their winning and non-winning tickets in the Kansas Lottery PlayOn® Players Loyalty program to earn points for drawing entries and a chance to win cash and other prizes! PlayOn® is a registered trademark of Pollard Banknote Limited used under license.
